

# Voyager Style

## Voyager Style - The ultra-slim emergency luminaire

- **Ultra-slim:** Thorn's Voyager Style shows that emergency luminaires don't have to be bulky or obtrusive. At just 37 mm thick, this understated fitting can blend into any interior, and is easy to mount in a variety of configurations
- **Power options:** Whether your emergency lighting system relies on self-contained battery-powered luminaires or a central battery system, Voyager Style meets your needs
- **Sleek and simple:** The wide range of mounting options means Voyager Style can fit in wherever you need emergency light. The recessed mounting option makes for a particularly unobtrusive appearance

Photographs, line drawings and photometric data are representative only. For specific product detail please select an individual product.

### Material/Finish

Housing: white polycarbonate

Cover: transparent polycarbonate

### Installation/Mounting

Tool-less 'Click' mounting after fitting the housing base
