

Katona

The primary choice for secondary areas - the perfect problem solver for the contractor

- IP 65 - protection against dust & water, making it an ideal fitting for indoor and outdoor applications
- IK 10 rating resists impacts of up to 20 joules ensuring a high level of protection for public circulation areas
- Clean, smooth aesthetic design reduces dust and dirt accumulation and ensures easy cleaning and lowers maintenance requirements
- Easy installation saving time and money
- Additional options (wired sensor, wired corridor function, E3D emergency and bluetooth sensor options) are available through myProduct
- Self-contained emergency luminaires rely on long-lasting batteries. The high-tech lithium iron phosphate battery used is robust and comes with a three-year guarantee, giving users peace of mind (for further information see respective datasheet).
